ОТВЕТ:

A	B	C	D	E

2. Michael Smith

Michael Smith was an only child. He lived in a small town near the mountains. Michael loved to spend his afternoons after school exploring the nearby woods. He enjoyed walking through the trees and listening to the birds.

When it rained, Michael stayed inside and played board games with his parents. He also loved reading books about adventures and explorers, but he didn't enjoy stories about dragons or magic.

When Michael was twelve years old, his parents decided to move to a bigger city because his mother got a new job. Michael was both excited and nervous. He loved his small town but was looking forward to new experiences in the city.

Questions:

- A. How many children were in Michael's family?
1. one
 2. two
 3. three
- B. What did Michael like to do after school?
1. He read books.
 2. He explored the woods.

3. He played football.
- C. What kind of books did Michael enjoy reading?
1. Books about dragons.
 2. Books about magic.
 3. Books about adventures.
- D. Why did Michael's family move to the city?
1. His father got a new job.
 2. His mother got a new job.
 3. They wanted to live near their grandparents.
- E. How did Michael feel about the move?
1. He was excited and nervous.
 2. He didn't want to move.
 3. He was sad to leave his town.
